

Mission Statement

iGO provides professional training and leadership development for Recordors, Clerks, Election Officials and Treasurers.

iGO offers members opportunities to exchange ideas, elevate standards through education, develop efficient ways to serve the public, and promote the ethics of public service.

iGO introduces the latest in technology and innovations to government officials while developing contacts in furtherance of our profession.

Conferences

iGO holds two conferences per year.

Our Mid-Winter Conference features education and open committee meetings. The Annual Conference and Trade Show is held each summer. The Trade Show is the largest of its kind, where conference attendees can interact with vendors and experience the latest technologies available for government officials.

Conferences are packed with best practices, team building seminars and one-on-one opportunities with vendors.

iGO Conferences are the place to GO for continuing education and industry networking!

Education

iGO provides continuing education for its members to help them do their jobs!

iGO provides its members professional training and leadership development through free monthly webinars on topics pertinent to the duties of Clerks, Recorders, Election Officials and Treasurers.

iGO monitors national issues that affect our members and provides information on matters of importance and relevance.

Members share advice on issues faced by their peers – through a member ListServ and through networking sessions at conferences.

In association with a major university, iGO offers a Certification in Public Leadership.

Awards & Scholarships

iGO desires to develop and celebrate our members in their profession!

iGO's Awards Program recognizes best practices by government officials and honors members who have shown excellence in office and are of the highest integrity.

iGO's Scholarship Program provides a monetary supplement to children or grandchildren of a member for continuing education, and to a deserving member for conference attendance.
